

**North Pittsburgh Quilters Guild
December 2019 Newsletter**

President's Message

I hope that everyone had a wonderful and blessed Thanksgiving! Our family celebrated on Saturday, so my Turkey Day was relaxing. Our Guild has been contacted by an organization with a request which I think will be a wonderful service project. I'll have more information at the meeting. So now it's time for all the Christmas bustle, and I hope that we can get our special projects finished in time. And let us not forget the real reason for the season; the birth of Jesus, our Savior and Lord.
Joyeux Noel !
Mollie Healy ~ President

Programs ~ December Round Robin Program

At our December meeting we will be having a Round Robin featuring the skills of our best resource....our members! We will have 6 stations set up around the room. Each member will have a chance to rotate around all 6 stations and pick up a nice variety of information to take home. Whatever your area of interest, there's bound to be something you'll enjoy. You don't have to bring anything but your curiosity.
Stacy and Kelly ~ Programs

Hospitality

Hope your Thanksgiving was great. The theme for this Fat Quarter is Holiday Favorites ~ bring a favorite holiday to share. Pretty dang original if I do say so myself!
P.S. I was going to make it "Vegan Sugar-Free Holiday Treats"; but maybe I'll save that for April Fools Day!
Alice Gibson ~ Hospitality

The last item to consider is this request from the website:

I have a friend with fond memories of lying under her mother's quilt frame as she hand-quilted with friends. She has a quilt top of her mother's that she would like hand-quilted, but all of the friends are gone or unable to quilt anymore. She's looking for someone, (or a group of someones) who would be able to hand-quilt it for her. She does not quilt herself. Does anyone in the Guild know of someone (or a group of someones) who could take this on?

This request came from Rose Martin.

Her email is ramimm@consolidated.net

Please contact her if you know of anyone who could help.

Thanks
