

## North Pittsburgh Quilters Guild December 2016 Newsletter

### President's Message

It is hard to believe that we are entering December. Our meeting will be on December 6th, remember to bring your decorated tea towel for a fun game and exchange. Please remember to wrap your towel or place it in a gift bag to keep it concealed and add to the fun.

Also, those interested please bring a check, or cash, if you'd like to sign up for the Teri Tope class on thread painting; which will be on March 10th at St. Johns Church.

Of course, we always welcome food contributions for Fat Quarter - though - this meeting is our Christmas celebration and everyone is asked to bring one of your favorites, with some copies of your recipes to share!

Also welcomed are the Cup and a Quarter entires, or just the "ingredients", if you have surpluses of those.

I hear that the bus is filling up quickly for the May bus trip to several quilt shops in Ohio.

Let's start the Christmas season partying together. I hope to see all of you at the meeting.

## Community Service

“We are approaching our goal of 25 **Little Dresses for Africa** -- remember, we will be collecting through **January**.

Word has spread regarding our wonderful placemats, and we have yet another Meals-on-Wheels Program requesting placemats.

So.....as my kids used to say when they wanted me to pull out into on-coming traffic, “Gun it, Mom!” I prefer saying, “make those sewing machines hum!” Either way, let's keep those placemats coming!”

Thanks!!

## Programs/ Party

First, the Party. Don't forget your **embellished tea towel**, and be ready to enjoy the game and socializing and good food!

Second, the **workshops**. There are 2 upcoming, one in March, with Teri Tope, on thread painting; and one in April, with the representative from Sulky Threads.

Both sound very interesting - and if you would like to sign up, have your checkbook ready, instructions and/or directions and/or more details will be available then.
