

## North Pittsburgh Quilters Guild June 2023 Newsletter

### President's Message

Dear Quilt Guild members, I am sending a sincere and heartfelt Thank You to each of you for allowing me to be your President this past year. I have had such fun getting to know many of you better and meeting new people at each and every meeting.

We have learned a great deal in workshops and meetings, worked together to make sure the organization is healthy and well run and we have had fun along the way. Next year is going to be very exciting as we work to hostess the best quilt show ever.

Again, Thank you.

: -)

## *Advice from a Singer Sewing Machine Manual from 1949*

*Prepare yourself mentally for sewing.*

*Think about what you are going to do. Never approach sewing with a sigh or lackadaisically. Good results are difficult when indifference dominates. Never try to sew with a sink full of dirty dishes or beds unmade.*

*When there are urgent housekeeping chores, do these first so that your mind is free to enjoy your sewing. When you sew, make yourself as attractive as possible. Put on a clean dress. Keep a little bag of French chalk near your sewing machine to dust your fingers at intervals. Have your hair in order, powder and lipstick put on. If you are constantly fearful that a visitor might drop in or your husband will come home, and you will not look neatly put together, you will not enjoy your sewing.*
