President's Message

When I wasn't paying attention, it became June! So many things have happened since last year at this time. Some have been difficult, some frustrating, some enlightening, some fulfilling, and some just downright joyous. And then a few have been all those things like being President of NPQG !

Even with all the ups and downs, I have enjoyed my reign as President. I really couldn't have made it through the year without all the support, help and patience of the Officers, Committee Chairs, and wonderful members. I truly have to thank everyone in the Guild. You kept me on my toes, told me your names (the first thing I told you was that I have never been able to remember names), made me laugh and had to remind me every meeting of show and tell!!!

As I bid farewell as your President and pass the torch to Janey, I would like to share one last quote: **A lifetime is not too long to live as friends and a quilt is not too small to sew them in!**

Thank you for being my friends and inspiring me to quilt.

**The love of quilting is our common thread,
Sue**

From Janey, soon-to-be-President:

Anyone finishing a year as Committee Chair and/or Executive Board Member, please bring your notebook outlining your tasks to the dinner OR to the next Board Meeting - **June 28 at Carol Hartman's Estate at 7:00 p.m.**

These notebooks and notes, if anything separate, are needed to pass along to your successor.

You can also bring them to the **Guild picnic on July 12.**

Thanks, Jane Walker
