October 2016 Newsletter

President's Message

Hello,

I can't believe it is already time for another meeting. I experienced my last week of summer at the beach last week. It really is starting to feel like fall, I can keep my windows open at night.

Our October 4th meeting will showcase a trunk show by Amy Baughman.

Information will again be shared concerning **Lisa Cope's Square in a Square class on November 5th**. If you haven't signed up yet, you should do so at the meeting. Bring **\$15.00** or a check made out to NPQG to confirm your place in class.

Anyone having extra cups and material who would like to contribute to **Cup & A Quarter** please bring those to this meeting.

Food contributions would be greatly appreciated for the meeting. (The Hospitality Committee is recommending more "savory" selections.)

Anyone wishing to contribute food for the **Backpack Initiative** should bring these to the meeting to receive a chance on the quilt shown at the last meeting. The chances will be available at all meetings throughout the year. the winning ticket will be drawn at the banquet in **June**.

There will be an Unofficial Quilt & Wilt on October 8th at St. Johns.

Hope to see you at the meeting,

~~~~ Janie Walker

### Community Service

Remember your homework, ladies! Make a **placemat for Meals on Wheels** and bring them to the **October** meeting.

**We will be collecting placemats each month through May 2017.**

Janie will take them to the Zelienople Meals on Wheels Program and your efforts will put a smile on the face of someone special!

~~~~ Pat Barber

Fund Raising

Donations are being gratefully accepted for **fat quarters, cups, small baskets or boxes or similar containers to hold the materials.**

Jeannie or Peggy will be available to receive your offerings.

We appreciate everyone's assistance.

~~~~ Jeannie McCormick
