

## North Pittsburgh Quilters Guild May 2019 Newsletter

### President's Message

It is with bitter sweetness that I write my last letter. I want to thank all of you for allowing me the honor to serve as President. You are a wonderful group of friends. And many thanks to our officers, board members, and chairpersons for the excellent job they have done this past year. Please take the time to thank them, for we would not have this great Guild without their dedication.

I encourage you to get involved in some way, and help us keep growing. Once you begin, no matter how small, you may begin to see how enjoyable it can be.

Something new for this coming meeting, as you sign in, please let the registration crew know if you have a Show&Tell. We are going to try changing the order in which Show&Tell fits into the agenda, too. Just trying to put a little more focus on appreciating the work of our members.

I am looking forward to another great year with Liz.

**Denise Ludwig, President**

**Pat Pauly** will be our Guest Speaker at our May Meeting. Tracey met her a number of years ago at "Quilting Around Chautauqua". Pat's work, recognized nationally and internationally, evokes natural forms that are bold and graphic. Her art quilts have been featured in numerous publications and exhibitions.

With workshops that focus on design and technique, she helps students to know when to apply the "rules" and when to toss them out!

On **Wednesday, May 8**, Pat will be presenting "**The New Big Leaf**" Design workshop at St. John's. Her workshops are always fast-paced, energized, and fun. In this workshop the large graphic leaf, made using freezer paper to form the design templates, will make a 24" x 24" spectacular stand-alone piece. You could also combine it with additional blocks to make a stunning quilt.

(Please see examples of her blocks on page one of this newsletter)

There are slots left for the workshop. Call, email, or text Tracey to sign up.

## Quilt & Wilt

Here is a photo of our Service Activity from the last Quilt & Wilt.

The results of much contribution of fabrics, stuffing, and most importantly, time, resulted in around 120 Port Pillows !!!

A reminder that you can have fun and eat and sew and support a worthy cause. Apparently these are highly appreciated and not always available.

For more photos of the Quilt & Wilt, as well as the general meetings and workshops, please go to the website - [www.npqg.org](http://www.npqg.org) - and check out how much fun we have. You may find a lovely photo of yourself having said fun.

The next Quilt & Wilt is scheduled for **May 18, then on to June 22.**
