

North Hills Quilters Guild
May 2018 Newsletter

Finally Spring has arrived. Don't know what will bloom and what won't after experiencing this difficult start to Spring.

Looking back at the month of April, we started it off with the most amazing quilt show. By now I hope that you have viewed our show on our website - NPQG.org click on Guild Activities and then 2018 quilt show. You cannot be anything but happy after listening to the music and paging through all the wonderful offerings that were displayed. Again thank you to all who helped make this event a success. The "Carols" outdid themselves with this one.

April 14 was our unofficial Quilt'N'Wilt at St. John's church. Lots of conversation along with quilting got accomplished and I, for one, am looking forward to **May 12's Quilt N'Wilt** since I have added to my projects on the bus trip.

April 21 was our bus trip to the Ohio quilt stores. All the stores were full of exciting new-to-me fabrics at great prices. So although planning to only purchase what I **NEEDED**, I just had to have some materials that I just couldn't live without. By the looks of the bags being brought on the bus, I was not alone with that.

Harvene is recovering from her unfortunate fall during our bus trip. If you want to send her a card her address is Harvene Lynch 880 Dorseyville Road Pgh PA 15238

FYI - I am happy to announce that Janie Walker and myself will be chairing the 2020 quilt show and we have already requested the date from Ross Township and selected the name and theme, including the challenge quilt theme. These will be announced at the May meeting. All this so that you can get started on a challenge quilt and a show quilt. Never too early to plan for 2020.

We will be voting on the 2018-2019 officers at the May 1 meeting and it is important that you be there to vote.

The May meeting will feature a demonstration on the use of rulers by Vivian Benton and Lisa Cope.

Hope to see you all at the meeting on May 1. Remember to check out the back table for donated materials. You may find the piece you need to complete a project or just a piece to add to your stash for future use. Also, if you have a veteran's blanket, Kathy is still collecting them.

Clarice

Many thanks for all the thoughts, prayers, and well wishes after my recent surgery. It is so gratifying to know that I have the support of so many of my Quilting Sisters. It is appreciated more than you will ever know.

Sunshine !

In case you are not sure - this is Sylvia - our Sunshine Person. Here she is enjoying a relaxing moment outside of the Somewhere Sewing Quilt Shop.

Next page is an enlargement of the sign next to Sylvia that gave all of us the encouragement (as if we needed it!) to linger and purchase in this shop.
