President's Message

Happy Halloween!
Our November meeting falls on Election Day - if you are late due to voting, I'll put some chairs along the front for you !!! Get that vote in!

Quilt and wilt was productive! Heather Caldwell's community service "part-1" was the creation of kits for place mats (people, cats , and dogs). The aim is to have these returned for Christmas distribution. (but always welcome)

Thanks to Stacy Koehler for "boot camp basics". I look forward to seeing these completed projects in show and tell.
And another quilt and wilt November 7- we will be hearing from Connie Angermeier on that !

We received an invitation for a retreat (Elf Camp) in Portersville, November 20-22. For a cost of $375.

NPQG t-shirts and sweatshirts are now available at SteeleMakes.com. If you need help placing an order, I can assist you at the November meeting.

Thanks,
Sam

Quilt n' Wilt

We will be having a Quilt 'n Wilt on November 7th from 9-3. We are postponing the 60 degree diamond project we had planned to a later date. So this month we can work on projects of our own choice plus we will have a variety of community service kits available for the making/taking. Some will be pillow case kits and if you don't know how to do the magic sausage method of making a pillow case, we will have a quick demo. Come to hang out with your friends, eat yummy food and get out of the house for 6 hours! Don't forget something for the potluck. Hope to see you there!

Don't forget ***Make It Quick* at 6:50. This month, as part of our Back to Basics theme, we will be looking at how to get YOUR true quarter inch seam.****

Need supplies to make a mat?
Pick up your kit at the November meeting and return the finished mat at our December holiday party to be donated to your choice of people, cats, or dogs!

Thanks!

Notes from Raven

Quilt Bingo clarification: If you are challenging yourself to do or try something specifically because of Quilt Bingo, that counts as a challenge.

Thank you to the Board Members and Committee Chairs this month for their patience and quick turn around in editing the meeting minutes. Your grace and support is much appreciated! - Raven

Honoring Peggy & Susan

Please take a moment to remember Peggy Splane and Susan Orleman, longtime members of our guild who passed away this October.

Their families beautifully acknowledged their guild membership and their deep love of quilting. The next time you sit down at your sewing machine, please consider stitching a community service project in something bright and cheerful to honor these wonderful ladies.
